The Performers

The Canbury Singers is a local community choir based in the North Kingston area. The choir was founded in 2007 and has grown from a core of 7 to approximately 35 members today. The choir's Director of Music, Chris O'Neill, was appointed in 2009. Under his guidance we enjoy singing a wide-ranging repertoire including popular and classical songs, jazz, madrigals and major choral works. The Canbury Singers perform at musical evenings and community events throughout the year. Recent highlights include the Jubilee Street Party, Kingston's 'Big Sing', Singing it back's Community Choir Concert, as well as our regular appearances at the St Luke's family carol service and the Canbury Arms Markets. For further info visit www.canburysingers.org

Latchmere Singers

The Latchmere Singers" are a group of parents, staff and friends of Latchmere School who like to sing! Meeting once a month, we sing acapella arrangements of familiar songs, as well as simple rounds and part songs. We perform at school concerts and last year took part in "The Big Sing" in Kingston. We welcome new members- no music reading required, just enthusiasm and a willingness to have fun!

4awesome: a newly formed 4 part Barber Shop Singing Quartet, based in North Kingston. This is 4awesome's debut public performance and Stephen Perugi, Julian Harvey, Mark Sankey and Ed Houlston would like to thank Chris O'Neill for his efforts in preparing them for this occasion.

The Arables

"The Arables" are a local band who formed last year to provide music for the Jubilee Street Party in Park Farm Road. In bygone days there was a farm on the site of the road, hence the reason for our name. What do we play? Folk/country, maybe including a bit of audience participation, and we also love to get toes tapping with a few reels and jigs!

SINGING IT BACK

Singing it back, founded by Mary Bourne, believes that singing as part of a group boosts self esteem and confidence, raises endorphins and lowers blood pressure - singing is as natural as laughing and is good for you! Our style of teaching is inclusive of all regardless of musical background as everything is taught by ear (rather than by sheet music). Our weekly sessions encourage good listening and teamwork, patience, enthusiasm and above all a good sense of humour. Our performances are generally very informal and community based and we are delighted to be supporting The Canbury Singers in this super Spring time evening - many thanks for inviting us.

The 2 Singing it back weekly choirs are 50 and 30 members strong, but tonight we'd like to introduce you to our smaller un-led group 'A mouthful of Singing it back' For full details of our weekly term time choirs and our weekend Summer family camp on July 19th go to www.singingitback.co.uk All are welcome, feel free to get in touch info@singingitback.com

The Canbury Singers will be performing again in 2013

Join the Canbury Singers again at our autumn concert on Nov 9th 2013 in St Luke's Church where we will be performing choral classics – Jesu Joy, O for the Wings of a Dove, Messiah excerpts, music by Byrd, Bach, Mozart, Mendelssohn, Beethoven, Handel.
